

ENGINEERING & CONSTRUCTION CLUSTER PROFILE

✉ info.eccluster@rezayat.net

☎ 013 663 6000 Ext. 1104

The Engineering & Construction (E&C;) division of Rezayat Group offers comprehensive EPC (engineering, procurement, and construction) and LSTK (lump-sum turnkey) solutions for key industries. Our services span the power, oil & gas, water, petrochemical, and other industrial infrastructure sectors. Our cluster consists of three specialized companies: National Contracting Co. Ltd (NCC), Rezayat Company Limited (RCL) and 4A Design & Engineering Private Ltd. Each company contributes its own technical expertise and sector-specific capabilities to our projects. Our core strengths: Strong regional presence Advanced engineering expertise Integrated project controls Strict adherence to HSE standards and commitment to quality assurance Consistent on-time project delivery Alignment with client and regulatory requirements
